ASSOCIATION OF NORTH EAST MIDLAND MOTOR CLUBS

2026 Steve Mugglestone Memorial Marshals Trophy

Nominations for the 2026 recipient are now open. The trophy, a wonderful replica of a 1930's Mercedes Benz Silver Arrows Racing Car, was kindly donated to the Association by Steve Mugglestone, an active marshal in the region for a great number of years.

Conditions

- Any paid-up member can nominate one or more people for the Trophy, either from their own club or any other member ANEMMC Club. A nomination can also be made by any Association championship event.
- Nominations with a brief resume must be made in writing by the prescribed date.
- It is left to nominating Clubs or events to decide why their nominee is worthy of nomination; a brief resume should be included on the form to help the panel decide upon the recipient.
- A panel of Association Officers will pick the Trophy winner. These will normally consist of the Chair, Stage Rally Coordinator and Training Officer. If any of these persons are nominated for the trophy, a replacement Association Officer will adjudicate.
- This trophy is presented annually at the Association Awards Presentation, and the recipient must be physically present to receive it.
