FOREWORD

Welcome to the second annual “fixture list”.

The intention is that you can make notes and add events as appropriate to suit your particular interests (printed copy only!).

Any suggestions or requests welcome for additions in the next edition.

All the information is available on the internet but sometimes you can't beat having it written down somewhere and hopefully this becomes your go to place to keep that information.

Hoping you have a safe, successful and competitive year.

KEY

Figures in brackets after an event name indicate that this is the first day of a two day event (1/2) or the third day of a three day event (3/3). This means that if on a Saturday the event shows as (3/3) then the event started on the Thursday and finishes on the Saturday.

Entries in blue show the equivalent weekend the event ran in 2018 as no date has yet been found for the 2019 event.

Entries in red show the equivalent weekend a cancelled event was due to run in 2018 as no date has yet been found for the 2019 event.

Entries highlighted in red have been cancelled but are shown to indicate the usual date should the event run in the future.

Entries highlighted in green are promoted by North Humberside Motor Club Ltd.

Details will be updated on the online version as information is available.
