

## SERVICE SCHEDULE

Service Crews are reminded of the event's Health and Safety policy: "Every person participating in the Rally, whether employed or voluntary, shall take reasonable care for the health and safety of themselves or other persons who may be affected by his/her acts or omissions during the operation of the event". Service Crews attention is drawn to the recommendations relating to re-fuelling of competing cars, conveying and storage of petroleum spirit, equipment and working practices.

The Roadbook shows petrol stations which will be open during the course of the Rally, and the Organisers have designed the route, and allowed time in the time schedule, for competitors to utilise these commercial petrol stations.

Service Plates must be prominently displayed on all service vehicles for the duration of the event. Only those vehicles carrying the appropriate plate will be allowed into the Service Area.

Competitors will visit the Dalby Service Area once during the Rally for timed service of 45 minutes and will visit Slaters Transport Yard Service Area for timed service of 15 minutes after the last stage of the rally.

Approx due times for Car '0' are: TC2A (Service 1 In) 11:05, TC6A (Service 2 In) 14:02.
