Editors Ramblings ...

Welcome to "STAGE TIMES".

Looking back over the last year and the celebrations for our fiftieth anniversary year it is good to see so many connections linking the early years with the present. Not just the people who are still part of the Club but the events that have endured and evolved as well as the venues and vehicles still being used.

Looking to the future sees further investment in Melbourne Airfield and the resumption of rallying on the site, with the Lookout Stages followed, in May, by our own John Overend Memorial Rally. A fine example of the Club fulfilling it's aim of "**Promoting Motorsport**" using hard earned profits from many years previous events. Continuing to build on our recent new events at Cadwell Park (5 Years) and Warcop Ranges (2 Years) and with the potential for closed road stages the future does look exciting.

An example of the links over the years is represented in the excellent piece by Dave Jobling, as a tribute to the late Dennis Pelling. The references to his team mate, and the separate article marking that same team mates (Peter Smith) recent first overall on the Jack Frost Stages.

How do we keep this going? It needs everybody to get involved - over to you!

The opinions expressed in STAGE TIMES are purely those of the contributors and should not be construed as the opinions or policies of either The Club, its Directors or Committee.

DENNIS PELLING 1943-2018

It is with great sadness that I heard of the death of a very dear friend Dennis Pelling whom I shared many hours with as his rally co-driver.

I thought that in his memory it would be lovely to share some pictures and news paper articles of his many rallying triumphs.

I have many memories of Dennis's superb car control but the most spectacular ones that spring to mind are the following:-

Dennis on a number of occasions spun the rally car through 360 degrees at high speed on various rally stages.

After one rally he said to Ben Moore, the owner of the car who had been spectating at the time on Olivers Mount during one of

these spins, that this was a good way to slow the car down and set it up for the approaching corner.

On one NHMC Moonraker rally we came over a crest at about 80mph the road was covered in sheet ice. Dennis must have decided on this occasion he would need three 360 degree spins to slow down enough for the next corner. However after two spins the car going sideways was too wide for the narrow road and it slid backwards into a ditch. We were informed at the end of the rally that we had been over 6 minutes in the lead at the time.

R.I.P. Dennis one of life's true gentleman's, I hope you find some good rally stages in heaven x

Dave Jobling

EVEN IF OPEL DIDN'T WIN

PARISH'S MOONRAKER RALLY CONGRATULATIONS ARE STILL THE ORDER OF THE DAY FOR **Pete Smith and Denis Pelling**

DENIS in his Opel Kadett was leading the Rally by 6½mins. (virtually an uncatchable lead) at the halfway halt immediately prior to his retirement through an unscheduled excursion into a ditch. To quote Denis, the car ran perfectly—for example on the only dry selective stage was 2mins. faster than the eventual winner.

PETE in his "Bog-Standard" Kadett GTE was well placed when he sportingly stopped to help his team-mate Denis out of the ditch, thereby incurring time penalties which led to his disqualification. "The car itself never missed a beat," said Pete.

For those interested, Denis's Kadett Coupe will be in our showrooms for inspection over the next few days.

Narrow rally win for Pelling, Jobling

AFTER 190 miles of motoring only 77sec. separated the first two cars in Parish's Moonraker Rally.

The winners were Dennis Pelling and Dave Jobling (Escort) with Pete Smith and Jeremy Mathew (Opel) second. John Beadle and Ian North (Opel) were third.

The first three crews were all members of North Humber-side Motor Club who organised the rally.

Best novice crew were A. Davey and C. Hallinan (Escort), from Ilkley.

DENNIS PELLING 1943-2018

WHO'S WHO

- No. 1 **Dennis Pelling:** Dennis has the privilege of running No. 1 after winning last years event and has his regular navigator Dave Jobling in the hot seat. Dennis will be obviously trying for a repeat performance and with experience in the R.A.C. Rally and with over 200 bhp. under his right foot he is obviously the man to beat.
- No. 2 **Peter Smith:** Pete and Jeremy Mathew have been rallying together for two years and have 6 firsts, 4 seconds and 5 thirds to their credit. They are at present 2nd overall in the North Eastern Association Championship and will be out to turn the tables on Dennis who beat them into 2nd overall on the recent Moonraker Rally.
- No. 3 **Mike Hutchinson:** Mike was the East Midlands Association Champion in 1974, 1975 and 1977 and his navigator Pete Halkyard won this years National Dukeries Rally and was 5th overall on last years event. This will be Mike's first event on North Humberside.
- No. 4 **John Gill:** John is a garage owner at Bedale and competed in this years Mintex International Rally. His navigator Nigel Harris was second on last years Cossack and their combined experience must place them in a strong position this year.
- No. 5 **Geoff Birkett:** Geoff and his navigator Dave Orrick have rallied together since 1970 in both the U.K. and overseas and they were 7th in the 1975 Motoring News Championship and 1st in the 1975 ANCC Championship. They competed in last years Singapore Airlines Marathon but retired in Yugoslavia with a broken gearbox and suspension.
- No. 6 **Neil Collingwood:** Neil was 3rd in the East Midlands Championship last year during which time his worst result was 7th overall. He campaigns the "Oldest and best known Viva in rallying".
- No. 7 **John Beadle:** The "Golden oldies are out again to entertain you". John and Ian have had some excellent results with their recently aquired Ex-works Opel which in fact won last years Cossack and they are bound to be there or thereabouts at the finish.
- No. 8 **Mike Farmer:** "Two old men of rallying who have come out of retirement to try and show some of the youngsters how its done". Results this year in their 2 litre Avenger include 1st, 2nd and 3rd overall, they appear to be succeeding.
- No. 9 **Terry Lucas:** Another old man of rallying who is still trying for his first finish on the Cossack. Terry has had some excellent top ten results and will be hoping the reliability of his new car will see him through to the finish.
- No. 10 **Chris Aucker:** Chris is sponsored by the Ford Main Dealer in Dewsbury and was a class winner on last years event together with 4th overall in the 1977 ANCC Championship.
- No. 11 **David Houlden:** Dave and his navigator have been rallying together since 1974 and their Ex DTV Magnum is sponsored by a Sheffield firm of Tool Manufacturers. They have several top ten results on road events to their credit and finished 48th on the Mintex.
- No. 12 **Mike Reed:** Mike is a self employed builder who was married last weekend and he will be looking for another good result after finishing 7th overall in 1977.

In Memory of Dennis Pelling.
According to the NHMC archives the most
successful Rally Driver in the Clubs history with
7 outright wins between 1970 -1978.

1st AGAIN OPEL KADETT GTE COUPE PETER SMITH

with his navigator, Jeremy Matthew, won the "Motoring Star Rally" by a clear 7 minutes over the second placed car. This event, covering 140 miles and 32 special stages in Nottinghamshire and Lincolnshire, brought Peter Smith/Jeremy Matthew/Opel Kadett GTE Coupe combination their third successive win.

HULL - OPEL GENERAL MOTORS "Haven't we done well"

Dennis Pelling/Dave Joblin, in our own Opel Kadett GTE Coupe, won in 1977 two of the most important rallies to have taken place in this area, Reckitt's Cossack and York Riponian. John Beadle/Ian North, in the Swift Caravans of Cottingham Opel Commodore GSE Coupe, won the National British Caravan Rally Championship outright.

The combination has proved itself, these Drivers and Navigators are good, and with the strength and reliability of Opel-GM products, success has come to these dedicated and talented Driver/Navigator combinations.

WINNERS ENCLOSURE

Peter Smith/Patrick Walsh Ford Fiesta RSWRC

First Overall Jack Frost Stages Rally Sunday 17th February 2019 S/V Croft Circuit

Congratulations to Peter and Patrick - following up Peter's 3rd Overall on the NHMC Cadwell Stages (behind son Guy's and Patrick's First Overall) in November 2018.

Never out of the top three fastest times and a maximum of 4 secs behind the quickest the pair had one fastest time (+9 seconds) on their own and 3 equal fastest times supported by a second fastest and three third fastest to take the win by 7 seconds from second and 16 seconds from third.

According to our archives this is Peter's seventh win, whilst an NHMC member, taking him level with "old team mate" Dennis Pelling as North Humberside Motor Clubs most winning drivers.

UK first electric Street Race coming to Hull

Hull city centre will host a unique Greenpower Street Race supported by Green Port Hull on Sunday the 28th April 2019.

Following on from a successful race hosted at the KCOM stadium in 2017, Greenpower in collaboration with Green Port Hull are making history by going one step further, holding the first ever electric closed road race in the UK. The event will be a triple header featuring all 3 of the Greenpower race categories; Formula Goblin (age 9-11), F24 (age 11-16), and F24+ (age 16-25).

The event will be staged in the Guildhall area of Hull on a city centre circuit with

cars racing around a challenging track, and the Formula Goblin events and a STEM activity area taking place adjacently.

Due to the pioneering nature of the event, and the twisty narrow track, this event will only be open to Kit Car teams from the local area. Teams that wish to compete in the F24(+) Street Race will need to attend the Blyton Park test event to ensure that drivers have some experience before taking to the Hull city circuit, and for the majority of cars to have a full MOT scrutineering prior to the Street Race event.

Green Port Hull, who's vision is to establish Hull and the East Riding of Yorkshire as a world class centre for renewable energy is the lead sponsors of the event and is supported by the Regional Growth Fund.

The launch on the 6th December was attended by David James, Robert and Gail Newlove with representatives from Beverley & DMC.

We have been asked to assist with the Marshaling at a test event on 9th March 2019 at Blyton Park as well as the race.

See Marshals News for more details.

Schools that entered the Humber region events in 2017/18 expressed their excitement at the prospect of the Street Race:

Francis Askew Primary: 'Our school has taken part in this event for two years in a row we have had such a fantastic experience, with new skills and pride discovered along the way. We are about to begin our third year of dismantling and reassembling the car. This time, some of our 'veterans', from the previous years, will be taking on mentoring roles, passing on the engineering and driving skills that they had gained, to the new participants.'

Hornsea School & Language College: "Every time team Morpheus write about what we are looking forward to, we talk about our exciting new plans. Once again, we have exciting new plans! We built a great working relationship with St George's academy when we won at Blyton Park summer 2018 and raced at Rockingham 2018. This relationship has resulted in us acquiring a second car from St George's academy. We plan to work on this car back at HSLC and hopefully run 2 cars from 2019 onwards! More exciting news includes our plan to build a custom storage facility on our school site for our cars, tools, equipment etc. This will make a big difference to how we can run the F24 project in school and once again raise

the profile of the project, enticing more eager engineers to get involved.

A street race next year sounds incredible, it's exactly what we have been waiting for. When we originally signed up with Greenpower to race in the F24 series, we designed our car 'Morpheus' around a difficult and potentially risky street race track. We now have the opportunity to properly test out our original design in the location it was designed to be used in. The 2019 street race will enable our team, our school and our local community to unite – we can't wait!"

Eastfield Primary: 'The race teams' really look forward to this unique event. We enjoy all the opportunities which are presented throughout this project. It brings individuals together into a team working towards a purposeful goal. The project inspires ideas for future careers and teaches us that as a team anything is possible'.

Funding and Grants

Grants are available to help fund teams to get involved in Greenpower. Funding is available for organisations in the Hull and East Riding Council Areas for Formula 24+ teams, and in East Yorkshire & Hull for Formula Goblin teams. Funding for Formula 24 teams is available nationally.

NHMC WARCOP STAGES 21st APR 2019

HELP REQUIRED

The Senior Officials are in place but as usual lots of help will be required over the weekend of 20th/21st April 2019
(Easter Weekend)

Volunteers to help set-up the stage and assist with the changes during the day are always welcome.

Lighter duties are also available over the weekend such as Marshaling Scrutineering, running TC's/Card collects and Marshalling on Stage.

Contact: Carl Thompson (Chief Marshal)
01759-306671

Work is already underway on the event with venue and HQ confirmed.

David James (CoC) and Gavin Heseltine (SoM) attended the "Range Conference" together with numerous representatives of various military units for April's site users earlier this month.

Scrutineering has been secured at the Range Stores site (as 2018) and once again the Haybergill Centre is to provide most of the accommodation and catering.

The website has been updated (26th Feb) and first draft of the SR's are being reviewed.

Entries should hopefully open week commencing Monday 4th March 2019.

MELBOURNE AIRFIELD PROGRESS REPORT

Things have been moving over the winter period, the club has agreed to support the venue re-development, along with Trackrod and Lindholme motor clubs.

The club is very grateful for the effort put in by Rob Brook, in securing the venue.

The club's plans to run the John Overend Memorial Stages Rally on the 12th May. After about thirty years I have decided to step down as secretary of the meeting, and hopefully Gavin Heseltine is to take over.

As usual we will need lots of help to run the event.

WACKEY WACKEY

I've heard Paddy Hopkirk mention taking wacky wacky pills before but on Car SOS on Monday he let the name slip, all supplied by the team, for the old long distance events in the 60's

Dexamfetamine - a type of medicine called a stimulant. Some facts about the product as at 01.06.2015.

Used for treating narcolepsy (sufferers cannot stop themselves falling asleep) and Attention deficit hyperactivity disorder (ADHD).

How does it work?

It works in narcolepsy by increasing activity in the brain by affecting some of the natural chemicals that are found in the brain. In particular, it increases the activity of chemicals called dopamine and noradrenaline in areas of the brain that play a part in controlling attention and behaviour. The effects last for about three to four hours after taking a dose.

It may cause dizziness, drowsiness and visual disturbances. If affected, you should avoid activities that could be potentially hazardous, such as driving or operating machinery. You should not drink alcohol while taking this medicine.

From March 2015 a new 'drug driving' law came into force, which means it may be an offence to drive while you are taking this medicine.

Dexamfetamine should be used with caution by People with a history of fits or seizures, eg epilepsy. People with a history of involuntary muscle spasms (twitches or tics). People with a history of Tourette's syndrome. People with a

history of psychotic illness, which may include symptoms such as hallucinations, delusions, paranoia, feeling agitated, anxious or tense, or feeling depressed or guilty. People with a history of manic depression.

Possible side effects.

Gut disturbances such as abdominal pain, feeling sick, diarrhoea. Decreased appetite and weight loss. Dry mouth. Difficulty sleeping (insomnia). Night terrors. Restlessness. Irritability. Nervousness or anxiety. Cheerfulness (euphoria), depression or mood swings. Paranoia, obsessive-compulsive behaviour or psychosis. Hallucinations. Confusion. Shaking, usually of the hands (tremor). Abnormal involuntary movements (twitching or tics). Dizziness. Headache. Sweating. Fever. Dilated pupils, visual disturbances. Increased heart rate or blood pressure. Awareness of your heartbeat (palpitations). Chest pain. Signs of heart muscle disease such as breathlessness or swelling of the legs. Heart attack or stroke. Decreased sex drive and erectile dysfunction. Seizures (fits).

Richard Wood (aka Dr Feelgood)

The above is an edited version of the full medical notes available at www.netdoctor.Co.uk/medecines/adhd-add/a6549/dexamfetamine/

It seems odd that one of the warnings was that it may impair driving! Have a look around some of the Clubs "older" faces, do you see any evidence of those side effects? Could we have had some local Paddy Hopkirk followes back then?

RALLY OF THE TESTS

North Humberside MC, under the guidance of Ian Sadofsky, turned out on Friday 9th November 2018 to run one and a half tests on the former Alamein Barracks/Driffield Airfield site. The venue was shared with our friends from Beverley & DMC who ran half of the shared test as well as one of their own.

The three day event started from Harrogate at 0745 on the Friday with 11 Tests and 6 Regularities scheduled before the days finish, 280 miles later, at the famous Belfry Hotel, Sutton Coldfield.

The 92 starters had done 5 tests before arriving at Driffield (2- Harewood Hillclimb; 1 - Bramham Park; 2 - Acaster Malbis) and two regularity sections (1 on gravel at Bramham and one over 20 miles around the Wolds.

The tests were named "Marching", "Privates" and "Manoeuvres". We shared "Privates" with BDMC but ran "Manoeuvres" ourselves.

Paul Bloxidge and Ian Canavan (Car 86 Porsche 911 Carrera 2.7) proved fastest on average over the three Driffield tests. One of seven crews clean.

MARSHALS NEWS

Quite a few of our marshals attended the Marshals training day at Askham Bryan. It is a requirement that all registered marshals attend some form of training every two years. Don't worry if you didn't manage to get to the training day, there will be others and maybe I can organise a club training evening later in the year.

BOOK REVIEW

Title: UK RALLY SCENE
Issue 1 Feb/Mar 2019

Editor: Bob Irvine

Published: February 2019

List Price: £5.00

Type: Magazine

Format: Full Colour

Pages (Total): 52 (Total) 12 (Adverts)

Dimensions: 210mm x 297mm (A4)

Photography: All Colour Every Page

"UK Rally Scene is the UK's only rally magazine with a focus on British drivers, British Rallies and British photographers" - Strap line on the ebay site.

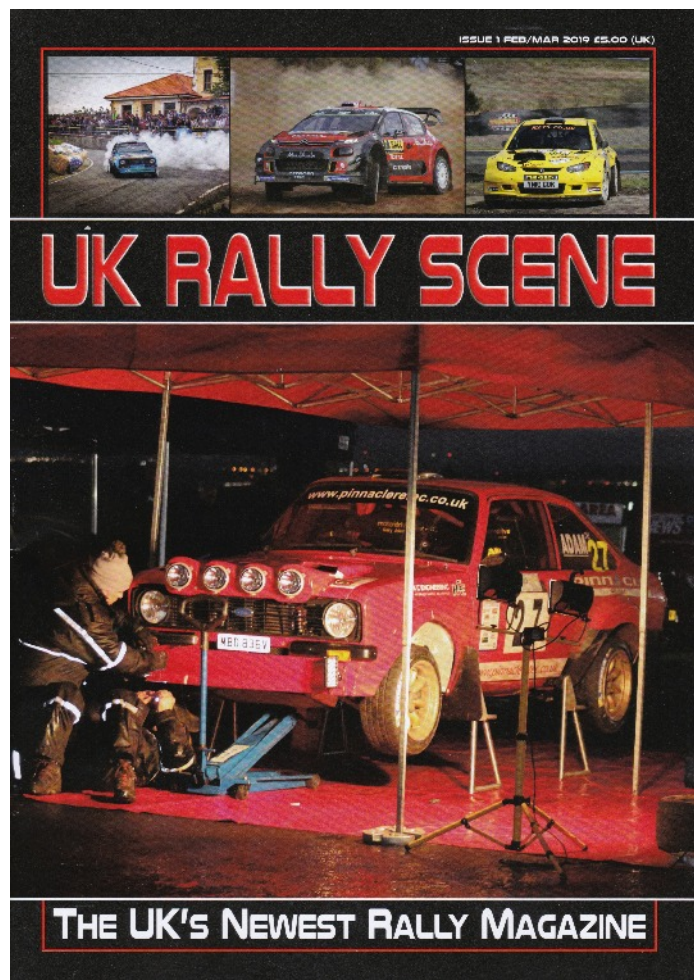

The magazine has evolved from the "Scottish Rally Scene" publication to incorporate the British Rally Scene.

It is not available over the counter in a newsagents but is available from ebay at www.ebay.co.uk/itm/UK-Rally-Scene-Magazine and at some point in the future by subscription.

I ordered my copy on the Monday and paid using Paypal, delivery was made by post in an A4 flat envelope which fit easily through a standard letterbox on the Thursday.

First impression was that it was not as glossy as "Pacenotes Magazine" but it has much less advertising and less Irish content.

I assume that the print deadline was sometime during January as the most recent event covered took place late in

December. With things being a bit quiet during December/January it was maybe a good time to start thing off slowly.

A total of four rally reports are included; Grizedale Stages (Eng), Knockhill Stages (Sco), Christmas Stages (Eng) and Turkey Run Rally (NI). A decent geographical spread but I assume nothing ran in Wales.

Interviews with Alistair McRae (5 pages) and Frank Kelly (6 pages) are supported with numerous excellent photographs.

Other features include a view on the future of rallying from Jamie Edwards who ran the successful Rally4Wales campaign and a look at the Road Rally scene.

My recommendation? Well worth £5.00

With no entries having been received for the original date (25th November 2018), the weekend after our exertions at Cadwell and clashing with the preferred

date for the Cadwell wind-down meeting. Robert decided to postpone the event for a fortnight. Only five entries were received.

We had an excellent 9 entries for this event, kindly sponsored by the One Point, thanks to Ken for this.

As well as our regulars Team Short, Ashley Slights, and John Dixon in the Mini Bug, Ken Sturdy came out to play. But we were also joined by four Striker Kit cars, they normally compete in the BTRDA Championship, but wanted to do a bit of testing.

They were really good to watch, and their times were very close, although they produced a lot of tyre squeal.

With a bright and sunny day, it was a great event, Ashley's mini managed to just about keep up with the Kit Cars, but eventually Chris Chapman took FTD. John Dixon's mini Bug managed to keep going, but the odd driver brain fade didn't help.

Thanks to everyone who helped with the event.

Andrew Moverley/**Neil Mizzon** (58) Ford Escort MkII. Good to see "Mov" back out after a long layoff, steady run despite featuring in someones scary in-car. 65th Overall, 16th Class C.

David McLeod/Eamonn Boyle (66) Talbot Sunbeam. Climbing from 65th after SS1 on only the crews second event. 41st Overall, 8th Class C.

Lewis Gatt/Steven Brown (77) Talbot Sunbeam Ti. A good run in the morning to be 48th after SS4 was spoilt with problems on SS5 with 76th quickest dropping them to 75th o/a. 64th Overall, 11th Class B.

Alasdair Stables/**Neil Jones** (86) Vauxhall Chevette HS. A steady start resulted in 82 o/a after SS2 but got faster and faster with each stage achieving 32nd quickest in the dark on the last stage to complete a successful climb up the leader board.

50th Overall, 18th Class D1.

Hope you all had a good day.

North Humberside MC Ltd Membership 2019

Dear Member,

Your current Membership is due for renewal on 1st January 2019. Please return this form with payment to the Membership Secretary, Dennis Robinson, at the address below, or pay Dennis in person at Club Nights.

The costs involved in running the Club are large and we are always running to a tight budget, so once again, can we ask you to please treat the membership fees as a minimum guide, and if you feel that you can afford to subscribe more than the suggested minimum, please do so.

The membership subscriptions below are as low as we can get them. They have not been changed for many years. If you feel that you can afford a little more, to support your club, and the organising teams who go to great lengths to organise the various events throughout the calendar, please feel free to add a little more to your cheque, rather than just the subscription rates quoted below.

Single Membership £12.00

Joint Membership £15.00

Family Membership £17.50
