SCENIC TOUR OF EAST YORKSHIRE

Welcome to the second Scenic Tour of East Yorkshire, organised by North Humberside Motor Club Ltd in conjunction with the Bridlington Weekend of Motoring and thank you for your entry.

Please check your details against the enclosed entry list and advise the Entries Secretary of any alterations/corrections.

The start is at the Park and Ride Car Park, Bridlington YO15 3QN (MR101/173650)

The finish is at Sewerby Hall and Gardens, Church Lane, Sewerby, Bridlington YO15 1EA (MR101/200692), please park as directed by the marshals.

Signing-on is between 0830 and 0930 on Saturday 14th September 2019. The café will be open from 0830.

At signing-on you will receive the following:-

- I Rally Plate (attach to front of car)
- I Road Book
- I Score Card – to be handed in at the finish to be eligible for inclusion in the results.

The first crew will leave at 0930 hours and the order of departure is “free” although a time must be recorded on the score sheet to confirm the competitor has left the start.

There is no timing but we would like to start cars at a minimum of one minute intervals to reduce “bunching-up” on the road.

Letter-boards have been placed along the route and these should be recorded on the score sheet, the score sheet will be checked and used to decide the results.

A closing car will collect the letter-boards and so if you stop for a while en-route they may have been collected in.

The route uses Tulip diagrams, the dot at the bottom is where you are coming from and the arrow indicates the road/direction. The other lines indicate the direction of the “un-used” roads at the junction.

Not all junctions will be listed so continue along the road you are travelling along until you are instructed to turn off.

Mileages are displayed to assist in locating the relevant junction but are

SCENIC TOUR OF EAST YORKSHIRE

based on a standard car odometer and are therefore only accurate to within 1/10th of a mile.

It is suggested you note your own mileage at each "tulip" and then adjust accordingly at subsequent "tulips".

It is a good idea to read two instructions at a time, then you can give the driver more warning of what is coming up.

The route uses a lot of country roads, some are narrow in places, please take care especially be aware of "farm traffic" as harvest may still be underway.

Café and toilet facilities are available in the vicinity of half-way, after approximately 42 miles.

The total mileage, if following the correct route, is under 90 miles and is expected to take around four hours, depending how long you stay at the half-way halt.

Any queries/amendments to:
Gavin Heseltine (Entries Sec)
(Home) 01430-440114
(Mobile) 07561-523404
Email haggarr@hotmail.co.uk

We look forward to seeing you on Saturday.
