NEWSLETTER FEBRUARY 2022

Welcome to our new newsletter. Hopefully this is a temporary publication. With the loss of Gavin Heseltine, we have no access to the publishing software he used. So this effort at a Newsletter is being written by John and Robert Newlove., until we get something better.

The club is devastated at the loss of Gavin, nearly 140 attended the funeral, most of them club members, with online donations and the collection at the funeral, over £1000 was raised for the British Heart Foundation.

A favourite memory of mine, is Gavin's clothes line results system. Before we had computers, we held a Yorkshire League Autotest on Sutton Fields. Gav devised a system where the time-cards were hung in order on a clothes line as they came in, then you had the winner at one end, and you just counted the number of cards in front of your card to workout how you where doing, **SIMPLES!**
