

**NORTH HUMBERSIDE MOTOR CLUB**

**SUTTON ON DERWENT SCENIC RUN 21<sup>st</sup> AUGUST 2022**

**FINAL INSTRUCTIONS**

MOTORSPORT UK PERMIT NUMBER 124141

Thank you for your entry, we have a full entry of 40 cars.

**PLEASE NOTE NEW START VENUE**

**The event will start at Hutton Cranswick Sports and Recreation Club, Rotsea Lane, Hutton, YO25 9QG, Map Ref 107/ 031533**

**This will be arrowed from the A164.Driffield to Beverley Road. If arriving from Driffield direction turn left just after the Hutton Cranswick sign, (Hutton Baulk).**

**If arriving from Beverley direction follow A164 along the main road, after Broach Hill Garage turn right on to Hutton Baulk.**

**Volunteers from the recreation club will be providing refreshments, please support them.**

We have arranged to be on site for 8.30 am so if anyone wants to set off early to get back early they can. We would like all cars away by 10.30 am.

We have arranged a flypast by a Spitfire of the British Memorial Flight, unfortunately the only time they can arrive is 1.45 pm, and some of the entrants will still be out on the route.

The route is about 80 miles and should take about 3 to 4 hours.

There is a toilet stop on route, also a café, but there is a large event on this weekend, so It may be busy. A smaller alternative stop is also available.

The finish is on the village green at Sutton upon Derwent, next to the village hall. We are joining an informal gathering of classic cars, tractors, etc., there will be a BBQ and bar, plus other refreshments. A £3 voucher towards BBQ or the bar is included in the entry.

The WI will also be doing tea and cakes. You can bring your own picnic if you like. We would be grateful if as many competitors as possible could stay a while to display their vehicle.

The road book will be in the form of tulip diagrams and will be straightforward to follow, you will **not** need a map. The route is on OS maps 106,107, 100, 101. A clipboard and pen would be useful.

We have placed some letter boards along the route for you to find, this is just for fun, and you do not need to take part in this.

There will be a start control setting cars off at minute intervals. It does not matter what order the cars leave the start, but we are trying to spread the event out a little bit. There is no timing on the event.

**A course closing car will gather up the letter boards, so if you do stop on the route, the letter boards may have been gathered up.**

## **FUEL**

Fuel will be available at 50 AND 75 MILES ON THE ROUTE, FUEL IS AVAILABLE IN Driffield on your way to the event

## **CAUTION**

**The event is using some narrow country lanes, the harvest is in full swing, so watch out for farm vehicles, as well as cyclists, some of the route is very popular with cyclists.**

## **DOGS**

**We have been informed by Sutton upon Derwent Parish Council that dogs (on a lead or unleashed) are NOT allowed on the village green (adjacent to the village hall). If you wish to bring a dog, please park on the car park.**

We hope you have a good day

Robert and Gail
