## **NOTICES:**

### **Club Window Stickers**

On sale at the Caves Classic ( or at Club nights when I start going again. )

Windscreen stickers for the inside of the screen:- £1 each

### **Club Meetings**

The club meetings have become very poorly attended in the past year, so just a reminder.

We meet the first Thursday in the month, at the Fergy Fawcitt in Walkington, near Beverley.

We gather in the little snug room from 8.0pm.

### **Editorial - (Personal Opinions of Dan Hart)**

Hello and welcome to the latest edition of Stage Times.

Here's the final edition of the magazine as we close out 2024.

Cadwell Stages Rally has again run successfully, results are published here together with a thankyou note from a competitor and some photos from Bill Barrowcliff who also took the cover photo.

I've had another couple of months with no motorsport but I finally found the cause of the misfire in my Audi S4. The timing chain tensioner has gone on the exhaust cam on bank one of the V8. This causes a misfire at idle but it goes away when under load. The exhaust cam is a bit retarded and this has led to the valves tapping the pistons and making indentations which look like valve cut outs. This was discovered using a bore scope.

[www.facebook.com/northhumbersidemc](http://www.facebook.com/northhumbersidemc)

<https://northhumbersidemotorclub.co.uk/>

The image below shows how the piston should look on the left (bank 2) and what the pistons look like on bank 1 (right).

Under the circumstances I couldn't really sell the car knowing what was wrong with it so I gave it to a friend who was without a car and have picked up a 2002 Audi S6 in very good condition with only 74000 miles on it. I'll let you know how it treats me.

Please let me know if you have anything to say about the magazine. Thanks. Have a great Christmas and a Happy New Year.

**A note of thanks:**

Great event and thank you to all involved.

Love the webinar driver briefing. Meant we got breakfast at our B&B. 0800 briefings at event when your start time is near 1000 is frustrating. Plus you can't hear the briefing outside at most events.

Stages were good other than the hairpin that needed either great skill or the right car.

Queuing a bit of an issue, but largely due to the rules surrounding Juniors. So not a lot you can do about that.

Hope to be back next year.
