

INTER-CLUB QUIZ INVITATION

Dear Club Secretary

Whickham & District Motor club would like to invite your club members to an interclub Quiz on 30th April. As the name suggests this will be an interclub quiz and we will be inviting other local clubs to put a team or two forward for this. Teams ideally will be of 4 members in each team, but clubs can have more than one team.

Questions will be from various categories, motoring and general knowledge related.

We will be putting on a buffet for those who attend, so would like to know how many of your members will attend to enable us to cater for the attendees.

We propose to start the quiz at 20:30, it will take place at Kibblesworth WM Club. NE11 0TW W3W inversion.touchy.includes

We look forward to hearing from you and seeing you on Thursday 30 Please let me know numbers thanks you

Kind Regards
